The two-story Allegrini, part of our Villas Collection, has 3 bedrooms and 2.5 bathrooms. This floor plan is a great size for families who want to stay connected. With a smart layout and modern style, it offers both comfort and function for everyday living. A welcoming entryway on the first floor leads to an open-concept layout with the family room, dining area, and the heart of the home—the kitchen. A covered patio gives you extra space to enjoy the outdoors. There's also a powder room and a 2-car garage for added storage and convenience. Upstairs, all bedrooms are located together, making it ideal for families who want to stay close. The private primary suite has a large walk-in closet and a full bathroom with two sinks and a walk-in shower. Two more bedrooms share a full bathroom, and the laundry area is close by for easy access.

Highlights:

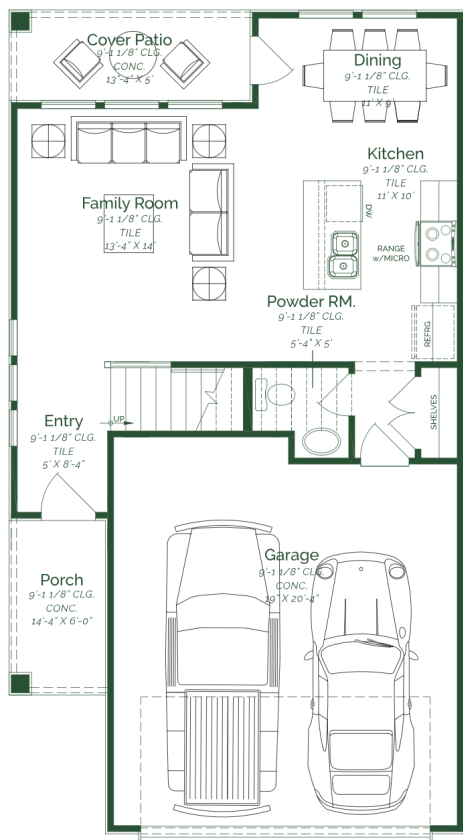

- Quartz Countertops
- Covered Patio
- All Bedrooms located upstairs
