Immerse yourself in the life of luxury with this spectacular five-bedroom, 2.5-bathroom home. Spanning two levels and 3,071sqft of living space, the San Jose sets a new level in utter opulence. A selection of living spaces is on offer on the main floor including a dining room and an open-concept kitchen, breakfast and family room with an optional fireplace. The kitchen will be any chef's dream with sweeping countertops, an optional island and the potential to upgrade the appliances. The main-floor master is luxurious and large and offers a walk-in closet plus a master bath with a garden tub and a double vanity. Four bedrooms, a full bath and a game room are housed upstairs with one bedroom able to be transformed into a study. There's a main-floor powder room, utility room and two-car garage included as standard. Extra upgrades include an optional covered patio, a third
